

2013 Earth Week Schedule

	Monday 4/22/13	Tuesday 4/23/13	Wednesday 4/24/13	Thursday 4/25/13	Friday 4/26/13
Event	Lunch Series	Lunch Series	Lunch Series	Lunch Series	Lunch Series
Time	12:00pm - 1:00pm	12:00pm - 1:00pm	12:00pm - 1:00pm	12:00pm - 1:00pm	12:00pm - 1:00pm
Topic	Energy	Water	Student Entrepreneurship & Sustainability Research	Climate Science, AB32	Sustainability at Caltech
Who	Prof. Sossina Haile , Prof. Harry Atwater	Prof. Michael Hoffmann	Cole Hershkowitz , Morgan Putnam , Fred Walti	JPL Scientist Dave Schimel , John Onderdonk	Office of Sustainability
Where	Annenberg IST 105	Beckman Behavioral Biology 24	Annenberg IST 105	Annenberg IST 105	Annenberg IST 121
Description	Exploration of the connections between ongoing energy research on campus and the key areas that require further investigation	Investigation of the most promising areas for research and technological development to respond to the realities of current and future water scarcity	Panel discussion with alumni who have started companies and CleanTech LA to explore challenges, opportunities and resources available to students looking to start a company	Update on climate science and data with a discussion of the current regulatory outlook of climate and energy policy	Review of current initiatives on campus and debut of inaugural Annual Sustainability Report
Event	Evening Seminar		Documentary Screening		Club and Interest Group Fair
Time	5:30pm - 8:00pm		6:45pm - 10:00pm		11:30am - 1:30pm
Topic	Water		Thin Ice		Getting Involved
Who	Gates Foundation (Doulaye Kone)		David Sington Simon Lamb film; panel discussion with Erik Conway , Annmarie Eldering , Jess Adkins , and Eric Rignot		
Where	Hameetman Auditorium		Hameetman Auditorium		San Pasqual Walk
Description	Sanitation in the Developing World/Human Waste Management in the Developing World		The film looks at climate change through the eyes of the scientists involved, from all different climate disciplines. Panel discussion with JPL historian, JPL Atmospheric Scientist, Caltech Professor of Paleoclimate and Oceanography, and UC Irvine Professor of Glaciology.		Opportunity for Caltech community to learn about ways they can get involved in campus groups or local organizations.
