

# Presentation and Discussion with Doulaye Kone from the Bill and Melinda Gates Foundation

Monday, April 22<sup>nd</sup>, 5:30pm-8:00pm (parking free after 5pm)  
Hameetman Auditorium, Cahill Center

**Keynote Speaker:** Doulaye Kone, Senior Program Officer for Sanitation  
Technologies and Tools at the Bill & Melinda Gates Foundation.

## Overview:

Join us for an inspiring look into the work of the Bill and Melinda Gates Foundation. Doulaye Kone, Senior Program Officer for Sanitation Technologies and Tools, will discuss the Foundation's focus area and types of projects, with details on the Water, Sanitation and Hygiene programs he oversees. This discussion will address the interconnection between public health and environmental quality challenges the developing world faces as a direct result of poor sanitation facilities. Question and answer session following the presentation.

**Refreshments, 5:30pm**

**Keynote Speaker, 6:10pm**

**Discussion, Q & A, 7:10 pm**
